28 August - 1 September 2013
Durban, South Africa

VISIT SOUTH AFRICA - A WORLD IN ONE COUNTRY

CRITICAL CARE FOR ALL

PROVIDING MORE FOR LESS

CRITICAL CARE SOCIETY OF SOUTHERN AFRICA

INVITATION TO DURBAN

Dear Friends,

On behalf of the Steering Committee for the South African event in 2013, it is my pleasure to invite you to the 11th Congress of the World Federation of Societies of Intensive and Critical Care Medicine, which will take place in Durban, South Africa, August 28th - September 1st 2013.

South Africa has long been a centre of excellence in the field of Critical Care Medicine in Africa, and in this congress local talent has been combined with a superb international faculty to create what promises to be an exceptional programme.

“Critical care for all - providing more for less” is an important concept because relatively simple critical care interventions have the potential to save many lives and because the disparity in the availability of health care facilities is unacceptable to the profession as a whole.

This will undoubtedly be one of the best medical conferences of 2013 and will be an unprecedented opportunity to learn more about the application of critical care interventions in both developing and developed countries.

This congress represents an opportunity to share knowledge and to communicate the contributions and innovations from the leaders in the field across the globe.

We look forward to your participation which will enhance the overall experience of each delegate and contribute to the success of this exceptional event.

Professor Satish Bhagwanjee

Chair: WFSICCM 2013 Organizing Committee

CRITICAL CARE SOCIETY OF SOUTHERN AFRICA

The Venue: ICC Durban

The award winning Durban International Convention Centre, will be the venue for the Congress.

Situated in the heart of the city and located close to the hotels, the ICC combines state of the art meeting facilities with the services of an outstanding management team.

INVITATION TO DURBAN

Congress Programme

The Congress Programme theme is “Critical Care for all – providing more for less”.

The scientific programme will include:

- o plenary sessions,
- o invited lectures,
- o round tables,
- o meet the expert sessions,
- o postgraduate courses,
- o workshops,
- o sponsored sessions and, of course,
- o free oral communications and
- o poster presentations

A trade exhibition will run concurrently with the Congress and will showcase the latest in global products and services.

Durban, South Africa

Durban, gateway to the Kingdom of the Zulu, has much to offer the visitor to South Africa. Nestling on the shores of the warm Indian Ocean, the city has golden beaches, beautiful parks and gardens, museums, theatres, excellent sports facilities and world class shopping malls.

Modern hotels are located in close proximity to the Durban International Convention Centre and are supported by a superb air and land infrastructure.

A variety of organised tours will allow visitors to view our rich and diverse cultural, historical, geographical and natural attractions. Outstanding wildlife game reserves are just a few hours from the city centre.

The exciting accompanying person's programme will give you and your companion a taste of Africa's warm heart and wonderful hospitality.

A World in One Country
